July 2010 Newsletter

Members and Friends of Rocky Bay,

We have puppies here! They are the fifth generation of Irish (red) Setter pups born to Rocky Bay. Three of the seven are not yet claimed - 1 boy and 2 girls - soooo cute and from a long proven line of hunters.

Our membership dues will continue to stay at \$150.00 - two bonus birds will be credited if you are paid before September 1st. Our corporate includes membership and 30 pheasant for \$500.00.

We are planning another "Fun Hunt" for December 11th. We will post details on the website as it gets closer we will have some cash payouts and great food - come on out and practice.

That's it for now - if you have any questions give us a call.

See you in the fall!

Al and Val Berg
